

## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Stephanie Barbosa on March 6, 2008.

In claim 11, the phrase "more specifically according to Formula (Ia), Formula (Ib), or Formula (Ic)," is removed. In addition, each occurrence of the phrase "according to" in claims 11 and 12 is changed to the word "of".

### ***Allowable Subject Matter***

2. Claims 2-4 and 7-22 are allowed.

3. The following is an examiner's statement of reasons for allowance: Janssen et al. (WO 97/16440, published 9 May 1997, cited in previous office action) teach compound 17 on page 36. This compound fails to anticipate or render obvious compounds of claim 14 because variable L is CH<sub>2</sub>-phenyl, not piperidine.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
